Notice for School Bus Applicants:

- **School bus reservations are for the entire school year only.**
- **Your child will be placed on the waiting list if there is no space available when you apply.**
- **When a bus reaches capacity, priority will be given to students in K1-Grade 3 as they are the least able to use public transportation.**
- **We may change the school bus stops, routes, fees, and timetables next year in order to maximize the number of students having access to school bus transportation.**
- **The bus fee must be paid in full regardless of the type of journey made (one way or both ways).**
- **For any changes, including cancellations, please contact the office and submit the appropriate form.**
- **A strict bus schedule will be observed. The bus will leave the bus stop without your child if you or your child shows up late to the bus stop.**
- **The school may refuse your child access to the school bus if your child continually exhibits poor behavior on the bus. For more details please see the 'Transportation' page on the MIS website.**

Notice for New Students:

- **We can accept additional application forms if you have not decided your address.**
- **For families with children entering in April, if you apply for your child(ren) to use the school bus, we will advise you whether your application was successful, and if so will notify you of your designated bus stop and the new timetables by the end of February.**
