

April 2012

Pre-School

Wednesdays and Fridays from 2pm~3pm

Aims of the group

- ✧ To give the children the opportunity to settle comfortably into a school environment.
- ✧ To give the children the support to learn basic language before they start in a school.
- ✧ To provide exciting and fun activities for your child.

To all parents that will attend the Pre-School, here are just a few things you should bring for each lesson. A spare set of clothes just in case an accident happens. A paint shirt - this will not be used all the time but when we do painting this will help to keep your child's clothes clean. Please refer to the schedule below so you know when painting activities will occur.

The lesson will start at 2.00pm so parents can come to school at 1.45pm at the earliest. IF parents come before this time, teaching staff will not be available at that time. The office will let you in from 1.45pm and please come directly to K1 Green class. We look forward to meeting you all at the next session. Please remember to wear the parent tags.
