

## Curriculum Overview

### Grade 2 - Term 3 - 1st Half - 2019

This document is designed to give you an outline of what your child will be learning over the coming weeks.

We will do our utmost to help your child achieve these goals. Your child's teachers (class teacher and Japanese teacher) are very happy to discuss with you how best you can support your child with their learning and celebrate their achievements.

## WHAT YOUR CHILD NEEDS TO BRING

- 1) **PE Kit** – Brought in on a Monday and taken home on a Friday to be washed over the weekend. Our P.E. is now scheduled for **Tuesday** afternoons.
- 2) **A healthy packed lunch and morning snack.**
- 3) **A named water bottle.**
- 4) **An old adult sized shirt** for art and science. This will remain in school unless sent home for cleaning. If your child already has an art shirt at school, you do not need to send in another one.
- 5) **The Reading Record** This should be taken to and from school every day with a reading book.

## Homework

Homework is given out each Thursday and should be handed in on a Monday. It will include one piece of English and one piece of maths, revising topics completed in class. Pupils will also have 10 spellings and 10 maths facts to learn each week which will be tested on Mondays.

Children should read at home each night and discuss the story with an adult. Reading scheme and class reader books can be changed whenever necessary. Two school library books can also be taken each week.

**Please note that homework is intended as reinforcement of what your child has learnt and should not be completed by the parent!**

**Should your child have any difficulty completing any tasks set, please inform your child's teacher.**
