Aims of the group -

- ✧ Give the children the opportunity to settle comfortably into a school environment.
- ✧ Give the children the support to learn basic language skills before they start school.
- ✧ To provide exciting and fun activities for your child.
- ✧ To express their ideas creatively.
- ✧ Make friends and learn social skills.

Each session's timetable includes:

- Creative activities for parents and children to enjoy together.
- Independent play to develop social, physical and language skills. Activities include: painting, water play, sand play, balls, bikes, role-play, building area, climbing, creative area, cutting and gluing, play dough and more.
- Group activity: stories or songs
- Stickers and goodbyes.

Pre-School sessions will start at 2.00pm and the office will let you into school promptly from 1.55pm. They will provide you with a parent tag which needs to be worn at all times. Once you receive your tag please go directly to the K1 classroom. We ask parents to leave the school promptly after the sessions have finished.

The sessions are planned weekly to help children to develop skills and have fun. To make the sessions more enjoyable for the children and allow children to get the best experience, we encourage parents to participate and interact with their children in all sessions. As we are an English-speaking school, if possible, we would prefer for English to be used at all times.

Here are a few things you should bring with you for each session

- a spare set of clothes
- an old over shirt or paint smock to protect your child`s clothing from any messy play we might have.

We look forward to meeting you in our next session.
