

Pre-School

Tuesdays and Thursdays between 2PM and 3PM

Aims of the group -

- ✧ **To provide young children the opportunity to settle into a school environment.**
- ✧ **To expose young children to basic English language before they start school.**
- ✧ **To provide fun activities for your child.**
- ✧ **To provide young children an environment in which they can engage with peers their own age.**

Each session's timetable includes:

- **Greetings as children arrive with parents.**
- **Independent play to develop social, physical and language skills; among them - painting, water play, sand play, balls, bikes, role-play, construction, climbing, creative area, cutting and gluing, play dough and more.**
- **Group activity: stories and songs**
- **Stickers and goodbyes.**

Pre-School sessions will start at 2:00PM and the office will let you into school promptly from 1:55pm. They will provide you with a parent tag which needs to be worn at all times. Once you receive your tag please go directly to the K1 classroom. We ask parents to leave the school promptly after the sessions have finished.

The sessions are planned weekly to help children to develop skills and have fun. To make the sessions more enjoyable for the children and allow children to get the best experience, we encourage parents to participate and interact with children in all sessions. As we are an English-speaking school, if possible, we prefer children and adults to speak English at all times.

Here are a few things you should bring with you for each session - a spare set of clothes and an old over-shirt or paint smock to protect your child's clothing for when we have messy activities set up.

We look forward to meeting you in our next session.
