

Guidance for Applicants – STEAM Teacher Opening for November 2025

MIS is a private, dual-language Kindergarten-Elementary school situated in Chiba Prefecture (about 30 minutes by train from Tokyo). Our 'Article One' status means that we are subject to Ministry of Education regulations and that includes the hiring of staff. The requirements stipulated below read as rather particular, but we are very much bound by them and no matter a teacher's great experience or excellent credentials, he/she has to tick all the boxes.

The post commences in **November 2025**.

Things to bear in mind when applying:

- **Teachers need to have QTS, or possess a valid teaching licence.** The professional teaching qualification must be for the area applied for and issued by a government educational agency. For these vacancies the qualification must state the equivalent of 'qualified to teach Primary/Elementary (ages 6-12/years 2-7/grades 1-6)'. **Please send a copy of your teaching credential/license/QTS along with your application or update your profile with these required items on the Schrole website and apply via Schrole.**
- If from the UK with a qualification stating, 'PGCE All Age Ranges', then a letter must be obtained from GTC confirming QTS relevant to the age-range – this can be done later.
- The regulations regarding qualifications cannot be waived and are necessary for us to obtain a temporary Japanese teaching licence which is necessary for all of our foreign staff.
- Teachers need to have, or be able to obtain, a university transcript showing courses attended and grades attained. This can be done later.
- **Applicants must be fluent speakers of English.**
- **We are looking for candidates with a minimum of two years' experience as an Elementary/Primary Classroom or ICT/STEAM Teacher, post-qualification.**
- We are a dual language school. Dependent students enrolled at school take Japanese lessons which are offered at native speaker level and at a 'support' level for those children whose Japanese is not at an age-appropriate level.
- Teachers' children - 50% of the tuition is covered by the school. Other fees paid by the teacher.
- **Please include family status/dependents in your Schrole profile or along with your application** – i.e. single / married / partner / children, plus DOBs. These things impact on spouse benefits, accommodation, visa status and class placements/spaces available for children (which are limited in some grades).

We offer a professional working environment and a competitive benefits package. Initial contracts are for two years with a start date of November 2025 and renewable thereafter.

Please ensure that your Schrole profile/application includes a letter of application, an up-to-date CV, a copy of your teaching credential, a recent professional photograph, your family status, and the names, titles, and contact details of three educational referees.

Otherwise, these along with any other inquiries may be emailed directly to the Head of School, Mr. Trent Citrano at: head@mis.ed.jp
