- Uses imagination to represent ideas

Language

- Phonics - We will continue to try using our phonic sounds independently when reading and writing
- Independent Writing- speech bubbles, beginning, middle and end of stories, comics, and captions
- Oral language development - using role play to develop speaking in full sentences
- Reading - guided reading and story time
- Handwriting - forming lower-case letters correctly

Health

The children will participate in physical activities such as:

- Learning to participate in simple games
- Practicing ball skills such as kicking, passing

Environment

- Freezing and melting
- Flight
- Senses - smell, taste, touch, sight, hearing

To the Rescue!

Maths

The children will learn about the following concepts through various activities using hands-on materials.

- Understand a part, part whole method
- Number bonds to 10
- Addition - add together and add more
- Subtraction - take away and using a number line
- Recognise and name simple 2D and 3D shapes

Human Relationships

The children will use the skills and strategies to work and play together with their classmates.

- Listen to others' ideas and contributing their own relevant stories and ideas
- Playing games by turn-taking
- Talk about how they and others show feelings
